

CODE OF CONDUCT SMISMUN 2024

DRESS CODE

We encourage delegates to dress professionally to create a respectful and formal atmosphere for the conference. As a general rule, we require that delegates dress in a suit jacket, slacks or skirts, dress shirt, formal dresses, and dress shoes on Day 1 (24th August) and Day 3 (26th August). Please ensure that all dresses and skirts are at least knee-length.

On Day 2 (25th August), delegates may wear ethnic clothing. After the end of all committee sessions for the day, you may change into casual attire before the proceedings of the Social Night. This casual attire should also be school-appropriate. Sharp attire will help project confidence and make a great impression on fellow delegates and staff.

To maintain a professional and respectful environment, we kindly ask all delegates and IP members to adhere to the dress code. Should anyone need assistance to comply with the dress code, we are here to help.

All phones and smartwatches with calling capability must be set to silent mode during committee sessions to prevent disruptions. Urgent phone calls should be taken outside the committee room.

The use of the internet, including mobile data, for research during committee sessions is subject to the discretion of the Executive Board members of the committee.

Using devices for activities unrelated to the conference during committee sessions is strictly prohibited.
